

Great Accumulation Inventory

Produces a one-page Leadership Sensemaking Brief.

DECISION

ACCOUNTABLE OWNER

DATE

STEP

YOUR TEAM'S ANSWER

1 Name the decision

Write it as a choice with an owner and a deadline.
Avoid broad goals such as "improve growth".

2 List the current evidence

Record dashboards, reports, data sources, expert judgement and external signals currently used.

3 Expose definition conflicts

Identify at least one concept that two functions calculate or interpret differently.

4 State the dominant story

Write the explanation most leaders currently believe.

5 Create a counter-story

Write a plausible alternative that would lead to a different action.

6 Define sufficient evidence

Specify what would have to be known before the decision deserves commitment.

7 Name the consequence

Record the action, accountable owner, leading indicator and outcome measure.

WHAT THIS CANVAS PRODUCES

A one-page Leadership Sensemaking Brief: not an answer to the decision, but the conditions under which an answer can be trusted, enriched across later Adhyayas into the Enterprise Sensemaking Blueprint.
